

Guide to navigating SSNAP reports

This document is **interactive**.

Click your answer to each question to **find the report** you are looking for and **how to download it** from our website.

Looking for Easy Access Version Reports (EAV Reports)?

Click here for **more information** about EAV reports.

Click here for **video** on **how to download** EAV reports.

**If you are not looking for EAV reports,
click here to go to the next page.**

What type of report are you looking for?

1 National reports

Reports with data from all teams in England, Wales, and Northern Ireland.

2 Regional reports in England

a. Reports with data from all teams in a Strategic Clinical Network region.

b. Reports with data from all teams in an Integrated Stroke Delivery Network region.

3 CCG and LHB reports

Reports with data from all teams in your local:

a. Clinical Commissioning Group (CCG) in England.

b. Local Health Board (LHB) in Wales.

4 Team-level reports

Only users who are **registered with a specific team** on the SSNAP website can access team-level reports.

Team-level reports are not available to the public.

National reports

What time period are you looking for?

1 Annual national reports

Annual reports are produced **every year**.

Annual reports contain data from a year (**April-March**).

2 Quarterly national reports

Quarterly reports are produced **every 3 months**.

Quarterly reports contain data from a **3 month period**:

- January - March
- April - June
- July - September
- October - December

Back to last question

Annual National Reports

Click the report for a **video on how to download it**:

SSNAP Annual Report

Written report that shows the progress made in stroke care and remaining challenges. Includes commentary, case studies, patient quotes, graphs, and data visualisations.

Excel spreadsheets

Annual results portfolio

Excel spreadsheet with one year's data for all teams. Contains every data item reported by SSNAP.

Annual thrombectomy report

Excel spreadsheet with a breakdown of the yearly thrombectomy data. This spreadsheet includes national summary data and data for all teams

Public table of mortality

Excel spreadsheet with a breakdown of the yearly numbers of stroke patient deaths (mortality data).

Back to annual national reports

How to download annual national reports

1

1. Go to www.strokeaudit.org
2. Go to Results > Clinical audit > National.

The screenshot shows the SSNAP website home page. The navigation menu is open, and a red arrow points to the 'National' link under the 'Clinical audit' category. The page header includes the SSNAP logo and navigation links for Home, About SSNAP, Registration, Results, and Resources. The main content area features a search bar and several informational banners.

2

3. Select the 'Annual' check box.
4. Select the time period in the drop-down box.
5. Click the button to download the report you require.

The screenshot shows the 'National Results - Clinical' page on the SSNAP website. The page is titled 'National Results - Clinical' and includes a dropdown menu for the time period (set to 'Apr 2019 - Mar 2020') and radio buttons for 'Periodic' and 'Annual'. A red arrow points to the 'Annual' radio button. Below the navigation, there are three main sections: 'SSNAP Annual Report', 'Annual Results Portfolio', and 'CCG/LHB Results'. Each section has a 'Download' button. A red arrow points to the 'Download CCG/LHB Results Portfolio' button. The 'Annual Results Portfolio' section includes a description: 'Spreadsheet providing results for all teams for all measures collected in SSNAP. This report covers all admissions and discharges over the financial year (April to March). #SSNAPportfolio'.

For **video** instructions on **how to download annual reports**, click the report you are interested in on the previous page.

What is a Strategic Clinical Network?

Stroke services in England are divided into **Strategic Clinical Network (SCN) regions**.

SSNAP produce **PowerPoint slideshows** for each SCN region.

List of SCNs

- East Midlands
- East of England
- Greater Manchester and Eastern Cheshire
- London
- Norther of England
- North West Coast
- South East
- South West
- Thames Valley
- Wessex
- West Midlands
- Yorkshire and The Humber

Click here for

- **the types of SCN slideshow SSNAP produces**

Back to last page

Types of SCN regional slideshows

Click the report for guidance on **how to download it**.

Hospital slideshows

PowerPoint presentation with graphs showing how **hospitals** in an SCN region perform compared to national averages.

Produced every 3 months (quarterly).

- Routinely admitting teams: stroke services which initially admit patients.
- Non-routinely admitting teams: services which do not directly admit the majority of their patients.

After Hospital Slideshows (for community stroke care teams)

PowerPoint presentation with graphs showing how **community stroke care teams** in an SCN region perform compared to national averages.

Produced every 6 months.

- ESD teams: Early Supported Discharge teams.
- CRTs: Community Rehabilitation Teams.
